Description of Post	<p>ATU is a new Technological University in the west and northwest of Ireland formed from the merger of three Institutes of Technology in 2022. The Faculty of Science and Health is developing a new programme of study in</p> <p>Veterinary Medicine with a view to welcoming the first cohort of students in September 2026. This programme will complement existing programmes in</p> <p>Veterinary Nursing and Agriculture and increase the provision of Veterinary Medicine education in Ireland. This is a unique opportunity for an enthusiastic, experienced individual to join the Veterinary Medicine programme team and to shape veterinary medicine education provision in Ireland.</p>

Essential Qualifications

- A Master's Degree in a relevant Level 9 Programme [as specified in the National Framework of Qualifications (NFQ)] or equivalent.
- An honours degree in Veterinary Medicine from a recognised degree awarding body and be registered, or eligible to register, as a Veterinary Practitioner with the Veterinary Council of Ireland.
- Three years relevant post-qualification experience.

Applicants must have completed a suitable teaching and learning programme in line with the requirements of the Veterinary Council of Ireland. An applicant who has not completed a suitable teaching and learning programme will be deemed to have meet the minimum requirements, upon receipt of a commitment to commence appropriate training within one year of appointment.

Salary

€68,936 – €106,661 (11 points)
